Organic Ciders

ORGANIC CIDER CUVÉE JULIETTE 75CL

Our first cider in collaboration with an organic producer from Normandy.

The apples, selected at maturity and then pressed, have been fermenting since October 2021.

This will be followed by a blending in January 2022 and a natural fermentation for several months.

This raw cider with a tense character, reveals subtle notes and an pleasant bitterness.

Cuvée Juliette is a tribute to Alain's mother and a nod to his family heritage.
