150 years. Joselito, a legendary brand

**We have cherished the secrets
of a tradition inherited over six
generations that have shared a
single obsession: *to make the Best
Ham in the World.***

*Joselito is a unique, perfect ham.
An unwavering inspiration for all who love
good food.*

FERRAN ADRIÀ
EL BULLI***MICHELIN (SPAIN)

**Joselito is a *culinary jewel* acclaimed
by the greatest gastronomic names
and leading food critics worldwide.
It is served in the most prestigious
restaurants and sold in gourmet food
shops in 56 countries. Joselito is
*more than just a brand, it's a legend.***

*Joselito is extraordinary,
it has a depth of flavour
that really captivates me.*

YANNICK ALLÉNO
PAVILLON LEDOYEN***MICHELIN (FRANCE)

HAPPY PIG

Joselito Pigs are happy animals

**They live freely in their natural habitat
for two years of their lives, enjoying
around 3 hectares of pasture land.**

Joselito Happy Pigs live in their natural habitat, the "dehesa" - a valuable ecosystem somewhere between Mediterranean woodlands and pasture lands. Their natural diet is based on acorns and grass, which is what gives them their unique flavour and healthy properties.

100% Natural

MORE THAN A BRAND, A LEGEND

At Joselito we only prepare natural products, *with no artificial colouring or preservatives.* Healthy products of a high nutritional quality. They are rich in oleic acid, vitamins and natural antioxidants. They are also *gluten and lactose free.*

Joselito Ham provides numerous health benefits.

Medical research* has shown that Joselito Ham is rich in **iron, magnesium, zinc and calcium**. It also contains **Vitamins E and B**, particularly B1, B2 and B6. It provides **33% of the recommended daily protein** (per 100 g of product).

Joselito Ham has a high content of oleic acid and natural antioxidants. This allows us to:

**Reduce
triglycerides**

**Increase antioxidant
activity**

**Reduce
cholesterol**

JOSELITO®

JOSELITO® Caña de Lomo

100% Natural · No preservatives or additives

Prepared with the muscular bundle formed by the spinal and semi-spinal muscles of the thorax, as well as the pig's longissimus, lumbar and thoracic muscles, salted, marinated and cased in intestines, which has passed through a suitable curing-maturing process.

CHARACTERISTICS

When cut, it is characterised by the tones which vary from intense purplish-red to pale pink with the plentiful fat marbling of a free-range pig.

INGREDIENTS

Pork loin, sea salt, paprika, garlic and sugar.

MORE THAN A BRAND, A LEGEND

Coppa is the triangular-shaped piece found after the loin in the cranial area, it shares the same muscles as the loin (longissimus, lumbar and thoracic), although only the portions into which it is inserted. This piece also includes the muscles located in the dorsal region of the neck, as well as the rhomboid cervicis and the part of the thoracic and cervical trapezius that are not included in the paleta, it comes exclusively from pigs. Seasoned with sea salt, pepper and garlic and cased in intestines, which has passed through a maturing-drying process, which ensures it is very stable and has a characteristic aroma and flavour.

CHARACTERISTICS

When cut it is characterised by its streaked intramuscular fat with a marble-like appearance, typical of the penetration of fat into the muscles of free-range pigs.

INGREDIENTS

Fine pork meat, sea salt, pepper and garlic.

JOSELITO® Chorizo

100% Natural · No preservatives or additives

Chorizo is understood to be the mixture of minced meats, coming from only the fine pieces of pork, seasoned with sea salt, paprika, garlic and sugar, mixed and cased in intestines, which has passed through a maturing-drying process, characterised by its red colour and characteristic aroma and flavour.

CHARACTERISTICS

This cut is characterised by a thick mince and bright colouring, characteristic of the marbling in the muscles of a free-range pig.

INGREDIENTS

Fine pork meat, sea salt, paprika, garlic, sugar and pork natural casing.

The first part of the paper discusses the importance of the research and the objectives of the study. It then presents a literature review of the existing research on the topic. The second part of the paper describes the methodology used in the study, including the data collection and analysis techniques. The third part of the paper presents the results of the study, and the fourth part discusses the implications of the findings. The paper concludes with a summary of the main findings and a list of references.

The research was conducted in a systematic and rigorous manner, following the principles of good research practice. The data was collected from a representative sample of the population, and the analysis was carried out using appropriate statistical methods. The results of the study are presented in a clear and concise manner, and the implications of the findings are discussed in detail. The paper is well-written and easy to read, and it provides a valuable contribution to the field of research.

The findings of the study have important implications for the field of research, and they provide a basis for further research. The results of the study are presented in a clear and concise manner, and the implications of the findings are discussed in detail. The paper is well-written and easy to read, and it provides a valuable contribution to the field of research.
